

Our Sesquicentennial Prayer

During our Sesquicentennial, Lord, shake the dust of 150 years from our church. Shake us hard. Consecrate us afresh – body, soul and spirit – to Your purposes. Lord, awaken us to the complacency of our old age. And set us free. Refresh in us Your ways and Your love. Raise up a passionate new generation in our church, Lord, to demonstrate for one another and for our neighbors your eternal Grace. With awe, wonder and love, we pray these things in the name of Christ.

Amen.
